Climb Snowdon

Phoenix in St Clare class has decided to challenge himself and climb Mount Snowdon to raise money for our PSA playground appeal. This will be no small challenge for Phoenix, and his Mum who is also joining him on the climb! He has started his fundraising campaign and would welcome any donations: <https://app.collectionpot.com/pot/3455129>
Thank you Phoenix for taking up this challenge!

PSA Parties

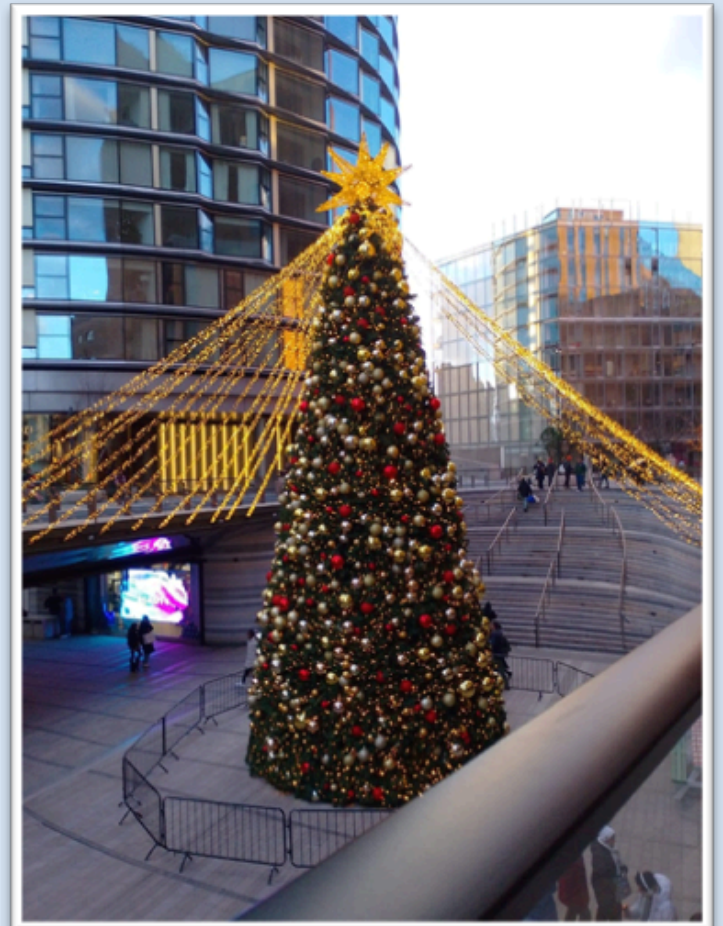

We are all looking forward to the PSA Parties which will take place in school time on Friday 13th February. Children may wear own clothes to school in exchange for £1. Tickets for the parties are available using the link on page 4. Thank you to the PSA for setting up this fun end of half term activity for the children, and thank you to the teachers for organising this in class. All funds raised will go to the PSA.

Half Term

Please remember that we have our February half term holiday from 16th to 20th February. School will be closed during this time. Kidz Klub are running holiday sessions on 16^h, 17th, 18th & 19th February and have a few spaces still available. To make a booking please call 07840776329 or email info@sacredheartextendedservices.co.uk.

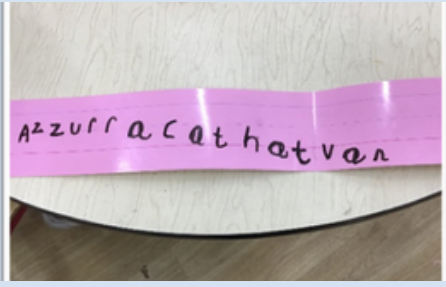

Photography Competition

Thank you very much to everyone who entered the Winter Photography Competition. Congratulations to our winners – Taein and Rayne, Ciaran, and Oscar.

This Week In St Francis Class

In St Francis class this week, we have been very busy learning through play! The children enjoyed practising writing their names and CVC words on sentence strips, with lots of proud moments and comments like, "I did it all by myself!" and "Look, I can read my word!"

We also had great fun cutting out pictures of healthy foods and making colourful collages – "This is my healthy dinner!" was a popular phrase.

As part of our healthy eating learning, the children loved washing the healthy toy food, carefully telling each other, "We have to wash it so it's clean!"

In maths, the children worked in teams to find matching shapes. There was lots of excitement as we named the shapes and counted their sides – "A triangle has three sides!" and "This one has lots of sides!" A fun and busy week in St Francis!

From The PSA

Reminders for next week

Class Parties 2026

Please make sure you have purchased your tickets using the link below:

[Sacred Heart PSA](#)

Own Clothes Day – Friday 13th will also be an own clothes day for the children, in exchange for a £1 donation.

We will have a QR code at the gate for those of us who get stuck without change – we've all been there 😊.

Smarties Challenge 2026

Next week, all children will be bringing home a Smarties tube (or an alternative for those with allergies). The idea is to enjoy the treat, keep the tube, and then encourage children to complete small jobs or good deeds to refill it with coins. This is a lovely way for every child to learn to get involved in supporting their community while helping to fundraise for our school projects.

Happy Bags Reminder

The next Happy Bags have started to be sent home with the children, please make sure to check their bags.

Use the half term to fill them with any of your pre-loved items, ready to be returned to school on Tuesday 3rd March. Don't worry – we'll send out plenty of reminders closer to the time so it's easy to remember 😊.

Parents & Friends Quiz Night

The night we all look forward to! Be quick and grab your tickets using the link below: [Sacred Heart PSA](#)

Join us on 27th February for the much-loved Sacred Heart Quiz Night – an evening of fun, food, and friendly competition!

Form a team with your class, colleagues, friends, or family – everyone is welcome. Coming on your own? No problem at all. We'll match you with a great team and make sure you leave with some new connections.

The evening will be hosted by our very own Sacred Heart quiz master – one of our parents who has kindly put themselves forward.
