Thank You

Thank you again to everyone involved in making International Day such a huge success last week. It was lovely to hear the children still talking about it this week! Congratulations to Adriana, Aria, Edie, Harper & Molly in Year 4 who used the stall as an opportunity to take donations for the Mary's Meals charity and raised over £40!

Curriculum Newsletters

All the curriculum newsletters for this term are now on the website. Please do take a look so that you can see what your children are learning this term. [Click here](#) and then select your child's year group.

Parents' Forum

The Parents' Forum this term will take place on Wednesday 10th June at 8.30am. This meeting will be the annual opportunity for parents to hear about the content of the Relationships, Sex and Health Education curriculum, which is taught at the end of this term. The usual survey will go out after half term for parents to complete.

Open Classrooms

Please put 26th June in your diary as the date that you are welcome to come to your child's class after school to see their work. Classrooms will be open between 3.20-3.50pm.

This Week in St Francis Class

This week in St Francis class, we had lots of excitement and fun learning experiences!

The children loved spending time with the five ducklings that hatched last week. We enjoyed watching them grow and even saw the ducklings have their very first swim, which was very exciting for everyone.

“The ducklings are so fluffy!” - Ezra

“They like swimming fast!” - Lucas

“I want to hold the duckling!” - Luna

We also celebrated National Numeracy Day with lots of fun maths activities.

The children took part in a number hunt, explored counting and matching games, and even helped to set up a birthday party where they used their maths skills to count candles, plates, and party items.

It was wonderful to see the children learning through play and enjoying maths in different ways.

We have all had a fantastic week full of curiosity, exploration, and smiles!

Thank You

To everyone who played a part in making the International Festival last Friday such a joyous event, thank you so very much. Your generosity and passion shone through and kept the rain away!

The display of unity you showed was a reminder to everyone of what beauty can be created when different cultures come together. It is this incredible diversity that makes our school so special. It is a real honour and a privilege to have you all as part of our school community.

Sacred Heart Church Memory Lane Club Needs You

Memory Lane Club has been supporting those living with Dementia and their carers on Wednesday mornings for 11 years and many of our dedicated volunteers have been with us for much of that time. This year, your Prayer Leaders and Year 4 pupils had the opportunity to support the club through visits, which proved to be a very rewarding and enjoyable experience for everyone involved.

We are looking for new able-bodied volunteers who can help on Wednesdays from 9.30-12.30am. Maybe you are considering returning to work and want to build your confidence or maybe you are able to work flexibly and want to give a few hours to your community. We are a friendly, welcoming group that gives and receives a lot from the work that we do.

If you are interested in finding out more, please contact Madeleine on 07713 882280 or wimbledonmemlanec@rcaos.org.uk She would be delighted to have a chat.

From the PSA

Movies and Munchies

Thank you to all those who supported the PSA by buying a movies and munchies ticket for today. If you forgot and would like to contribute, you still have time on the following link

Uniform Donations

We are now accepting uniform donations, as long as items are clean and in good condition.

Happy Bag Collection – Thursday 4th June

If you're doing a clear out over the next few weeks please put aside any good condition unwanted items to bring into school for our next happy bag collection after half term on Thursday 4th June at drop off. Further information will be shared closer to the time.

Summer Fair Sponsors

We're delighted to be partnering with two fantastic sponsors for this year's Summer Fair! Champion Timbers are kindly helping to fund some of our fun games and activities, and Brinkley's Estate Agents are generously sponsoring our new and exciting Pimm's stall!

We Need Your Help!

Would you be happy to display a Brinkley's advertising board outside your home for approximately 4 weeks to help promote our Summer Fair?

It's completely free, the school receives money for every board displayed, and there's no hassle involved. The agents will put the board up and take it down for you and better yet, you don't even need to wait in on the day, as long as they have the address they will sort it all 😊

We would love as many local families as possible to take part and support the event. If you'd like to help, please fill in the following form <https://forms.gle/mtXojbkh1c9Tr5Tj7>
If you need any help feel free to contact the PSA directly at: sacredheart.psa@gmail.com

Phoenix's Snowdon climb

Some of you may remember a few months ago we shared that a Year 4 boy, Phoenix wanted to take on a fundraising challenge to support our playground fund.

At the end of May, he will be completing the "Climb Snowdon" challenge to help raise money for the school. If you know much about charity climbs, you'll know what an amazing achievement this is for someone his age!

If you would like to support him on this incredible journey please do donate:

What a thoughtful and inspiring thing for him and his family to do.

Finally, we wish everyone a wonderful and well deserved half-term with finally some sunshine and as always thank you for supporting the PSA.
