

TUESDAY Lunch Time CHESS CLUB

KS2 (Year 3-6) @ 12:30-1:10pm

Why play chess?

Chess is fun, it is a lifetime hobby, but it is also so much more.

- Chess is a game that **involves strategy, risk management, creative thinking**, and the ability to manage your emotions.
- Chess is a **fantastic tool for developing character at a young age such as resilience, patience, sportsmanship**.
- Chess also brings together all ages, nationalities, backgrounds, and gender.
- In the club the children play chess over-the-board (OTB), **this offers a rich, tangible experience that screen-based games simply cannot match**. It builds deep focus, spatial awareness, and strong tactile memory.

Join the Chess Club!

✨ What we do:

- Learn how to play chess (complete beginners welcome!)
- Play fun games with friends
- Solve cool chess puzzles
- Learn smart moves and strategies

🧠 What you'll gain:

- Better thinking skills
- More focus and patience
- Confidence and problem-solving skills

♟️ Bring your curiosity and get ready to make your move! **Think. Play. Have Fun!**

There will be a tournament during the term with prizes for all including a winner's trophy and medals for runners-up. In order to improve your child's chess skills, I would recommend they try to play three games of chess a week.
