Warm Wishes

I am sure all our families will join us in wishing all the best to Mrs Heffron as she goes on maternity leave. We keep her and her family in our thoughts and prayers during this very special time.

Year 6 Macmillan Coffee Morning

Thank you to everyone who came to the coffee morning this morning, or bought cakes after school. The year 6 children did a wonderful job of hosting their parents and relatives this morning, and sang beautifully as a finale to the event. Thank you to everyone who played a part in organising this.

Applying to Reception 2027

Please remember that there is a session for anyone applying for a Reception place in 2027 in the hall this Monday at 6pm. You don't have to be applying for a place at Sacred Heart – the session is designed to help you understand the process. Please do let friends outside of our school community know that they are welcome to come along.

October is the month of the Rosary Service

Parents and carers are warmly invited to our Rosary service this Thursday 8th October at 9am, led by the prayer leaders.

PSA Quiz Night

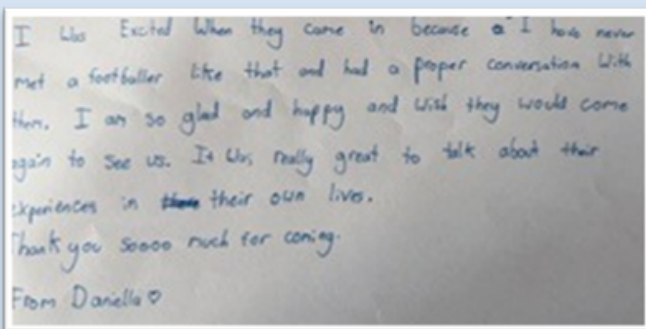

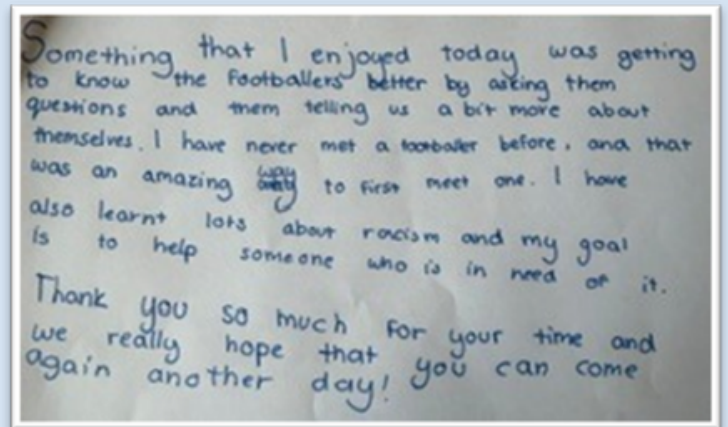

Please make sure you book your tickets for the PSA quiz night on 16th October 8pm. More details in the PSA section of the newsletter.

100% Attendance

Children who achieved 100% attendance in the last academic year will have their certificate sent to their house so that they can celebrate at home. Perfect attendance is sometimes challenging to celebrate in school as there are children who, through no fault of their own, will never be able to achieve it. Moving forward, we will send home certificates each term to those with 100% attendance or children who have significantly improved their attendance.

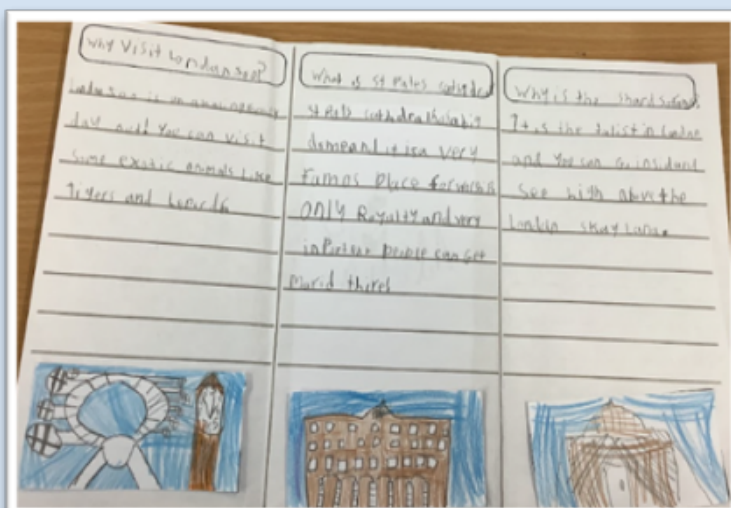

Fulham Footballers

There was great excitement on Wednesday when we were joined in school by three of the first team players from Fulham Football Club; Rodrigo Muniz, Ryan Sessignon and Kenny Tete. Children in St Teresa class had a workshop about kicking racism out of football. They created posters and then the players came in to look at the work they had done and talk to the class. This was followed by a short assembly in the hall with the Key Stage 2 children. It was lovely to read the reflections the Year 6 children wrote and to see what they had gained from the experience. We would like to thank the community team at Fulham for arranging the event.

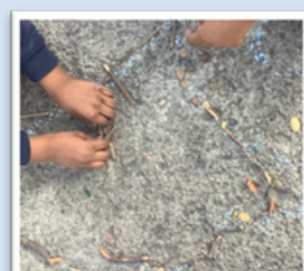

This Week in St Elizabeth Class

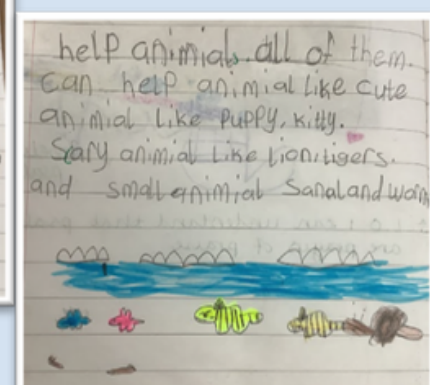

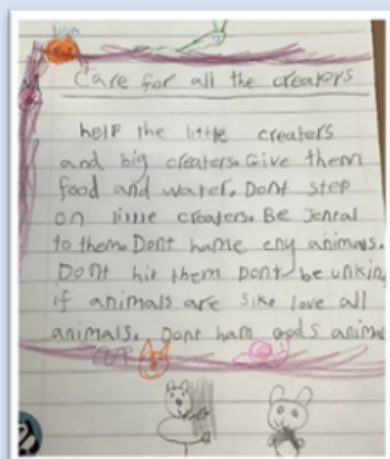

We have had another exciting and busy week in St Elizabeth class! This term, we have been completely immersed in learning all about London, with our English, Geography and Art topics linking together. In English, we have been enjoying Katie in London and this week we were very proud to publish our very own London visitor guides, showcasing everything we have learned about our wonderful capital city. We are now very excited for our London Day on Wednesday, when we will be able to celebrate our learning even further!

In Art this week, we explored different shapes and investigated how we could recreate them using natural materials. We began by drawing shapes with chalk in the playground before searching for natural resources to build and represent each shape.

In RE, we have been learning about Noah's covenant with God and thinking about how we can follow in Noah's footsteps by being good stewards of God's creation. We looked at ways we can help or harm the world, and wrote thoughtful poems about the different ways we can protect all living things and care for the wonderful gift of the world around us

It has been a fantastic week of learning, creativity and reflection, and we are looking forward to continuing our London adventures next week!
