MacMillan Coffee Morning

All parents and carers are invited to our MacMillan Coffee Morning, hosted by Year 6, next Friday at 9am. Please do come along to support this worthy cause.

Early Years Tea Party

Parents and carers of children in St Mary, St Francis, St Bernadette and St Patrick classes are warmly invited to the Early Years Tea Party on Friday 23rd October at 9am. You will visit your child in their classroom, where they will share a sweet treat with you. We will also be having the official opening of St Mary class, with special visitors from the local authority. Nursery children who do not usually attend on a Friday are still welcome to come with their parent.

Secondary School Applications

Please remember that the deadline for applying to secondary school for 2027 is 31st October. If you are applying to a Catholic school you need to complete the online form for the council as well as the online supplementary form for each Catholic school that you are applying to. If you need any help, please speak to Mrs Norville.

Applying for Reception 2027

Parents and carers of children who will be applying for a Reception place for September 2027 are warmly invited to attend a session at Sacred Heart on Monday 5 October at 6pm. The session is for any parents or carers (they don't have to have a child at Sacred Heart) and talks through the process. Anyone is welcome to attend, regardless of whether or not they are applying to Sacred Heart.

Warm wishes to Mrs Heffron

Next Wednesday will be Mrs Heffron's last day in school before she goes on maternity leave. We wish her and her family all the best in this next exciting stage in their lives.

This Week In St Andrew Kim Class

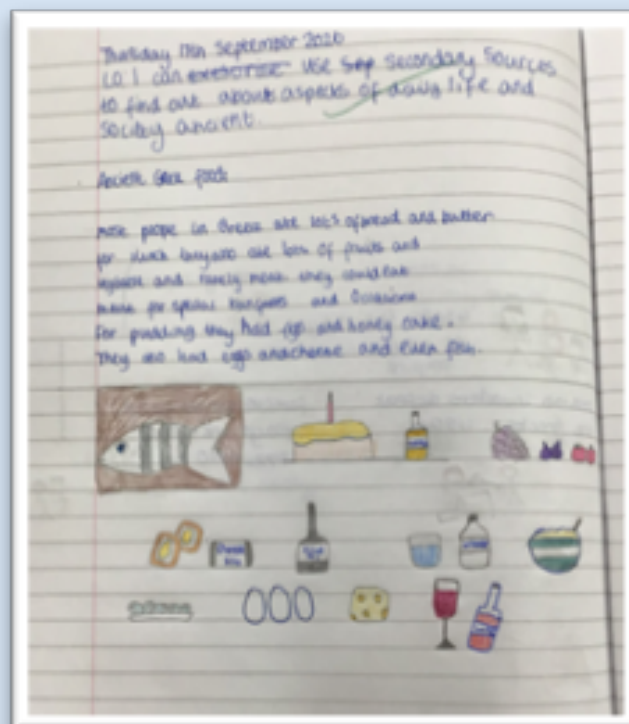

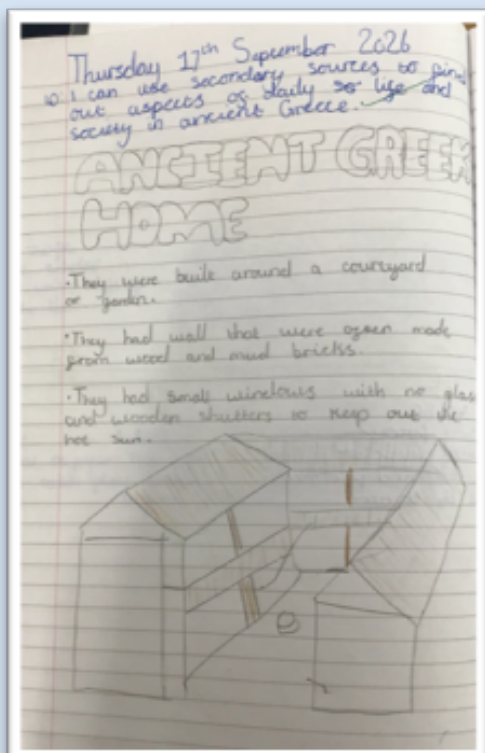

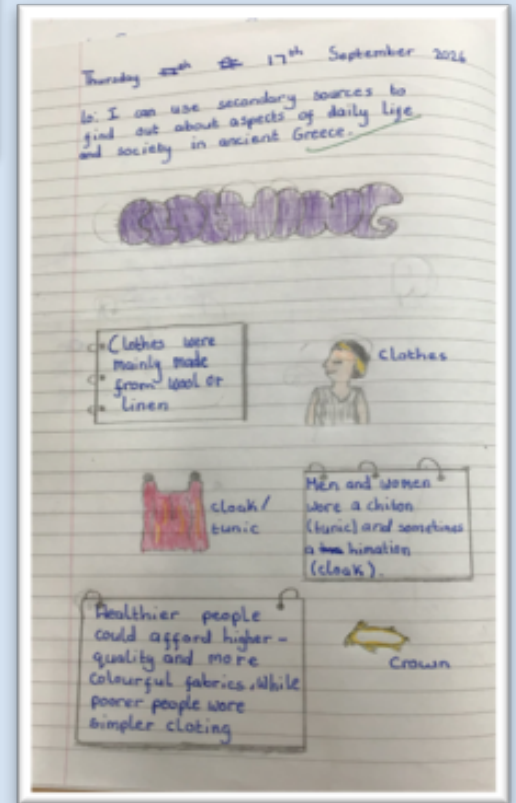

This week in St Andrew Kim, we have been busy editing and publishing our Greek myth, Daedalus and Icarus. It has been wonderful to see the pupils' creativity shine as they have become fully immersed in the story, carefully developing their ideas and making thoughtful improvements to their writing.

Our English learning has also linked with our Ancient Greek topic, where we have been exploring what life was like in Ancient Greece.

From learning about their fascinating beliefs in Greek gods and goddesses to discovering the foods they ate, the children have enjoyed delving into the world of Ancient Greece.

This has prepared us well for our Ancient Greek Day! We can't wait to bring our learning to life and immerse ourselves even further into the fascinating world of the Ancient Greeks.
